

EACN NEWS - MAY 2021

Dear Parents,

Well, it has been quite a year for all of us! COVID has presented us with all kinds of obstacles and stress in our lives. With travel opening up and the variants upon us, EACN will continue to monitor children's symptoms carefully. We are erring on the side of caution.

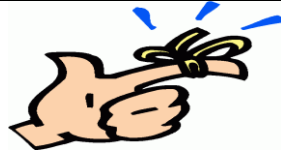

I am certain that you know how important getting the children outside is, it makes a huge difference in their day. Try to be mindful of your stress in order to reduce stress in your child. They have been so resilient, but they too know when things are not quite right with a teacher or parent. If possible, avoid exposing your child to the news, radio talk... Children are sponges and pick-up on so much! It is our job to protect them and try to reduce their worries.

Taking care of yourself will allow you to take care of the kiddos. Try to exercise, stay in a routine, and get outside for that much needed fresh air.

Enjoy this nice weather and here's hoping we get through COVID sooner than later!!

Surveys will be out in May for sign-up for our Summer and Fall sessions.

Sincerely,
Karie Kelchlin
Director

MARK YOUR CALENDARS!

May 31 - Memorial Day EACN closed

July 5th - Independence Day EACN closed
August 30, 31st - Staff Training Days, EACN closed

June 17th - Pre-school Graduation (drive by at EACN, invitation to follow)

THANK YOU PARENTS AND STAFF!

We had another great year with Niagara Chocolates. We raised approx. \$2,300!! Your efforts are very much appreciated. Unfortunately, we have had to cancel the Basket Raffle for another year.

A NOTE FROM NURSE TERESA!

- Please remember Sunscreen and Sunscreen Forms. Please label with first and last names.
- Please remember sneakers each day. Crocs, sandals, and flip flops are a hazard on the playground.
- Teachers will not take children out on the playground if it is 90 degrees or higher. If there is an ozone warning, children under the age of 2 may not go outdoors, but children over 2yrs. may go out for 20 minutes.
- Children must be supervised by a teacher on EACN's playground.
- Please supervise children at drop off and pick-up by the front doors. We ask that a parent open the door instead of the child to avoid pinched fingers. The doors are very heavy.

Thanks so much for your cooperation!
